

INFORMATION ON 2010 STUDY COMMITTEE MEETINGS

2010 INFORMATION:

The "home page" for the General Assembly is at <http://www.in.gov/legislative/index.htm>

For Legislative Council resolutions concerning study committee topics and procedures, see the links under the "What's New" heading near the bottom of the home page.

For meeting notices, minutes, and other information, go to the "Interim Study Committees" heading on the left side of the home page and click on the "Study Committees" link. This will take you to an alphabetical list of links to web pages for individual study committee pages, where you can view and print these items. In order to reduce copying and mailing expenses, the Legislative Services Agency (LSA) is no longer maintaining study committee mailing lists for the distribution of hard copies of notices or minutes via US mail.

To determine whether a meeting will be webcast, check the meeting notice on the committee's web page. Notices for meetings that are to be webcast will contain a link to the broadcast.

For the upcoming schedule of study committee meetings that are staffed by the LSA, go to the "Interim Study Committees" heading on the left side of the home page and click on the "Calendar" link. You may also pick up a hard copy of the calendar at the Legislative Information Center, in Room 230 of the State House adjacent to the rotunda. The calendar is subject to additions and corrections, including notice of cancellations. Please feel free to call the Legislative Information Center for an update at (317) 232-9856.

NOTE CONCERNING STUDY COMMITTEE EXHIBITS: Beginning with the 2010 interim, any exhibits that were distributed during a study committee meeting will also be attached to the minutes on the committee's web page in a PDF format, eliminating the need to request hard copies through the Legislative Information Center. Please bear in mind that the file for a meeting that had numerous exhibits will be a large document, so it could take a while to open and you may want to consider whether or not to print the entire document.

STUDY COMMITTEE ARCHIVES FROM PRIOR INTERIMS

From the home page of the General Assembly at <http://www.in.gov/legislative/index.htm>, scroll down to the "Archives" heading in the lower left corner, and then select the "Interim" link. This will take you to various links for study committees from 1998 through 2010. Note that exhibits from these meetings are not available online and must be obtained through the Legislative Information Center.
